PORTS INTRODUCTION

Inside Passage

Your ship offers the perfect platform for viewing British Columbia's Inside Passage. This archipelago spans 25,000 miles from Seattle to Prince Rupert near the Alaskan border. Here you'll ply calm waters sheltered between the British Columbia mainland and Vancouver Island. Along the way catch a glimpse of breathtakingly rugged scenery, plus staggering wildlife like salmon sharks, white spirit bears, and millions of seabirds.

Ketchikan, AK

Ketchikan sits at the southern end of Alaska's Inside Passage— a gateway to the wild landscapes and seascapes of Misty Fjords National Monument. The canned salmon capital of the world, it's a hub for fishing and outdoor sports. It's also home to three tribes of Northwest Coast Indians, making it a great place to get a taste for the local culture. You'll see it in the colorful, hand-carved totems that line the city's streets and parks, and in the unique stilted homes that cling to Deer Mountain's slopes. If you want to get up close and personal with nature, venture into the Tongass National Forest, the largest in the United States. Or head to Ketchikan Creek Waterfall for amazing views of downtown Ketchikan and a glimpse at the yearly salmon runs.

Juneau, AK

You can't get to Juneau easily without a sprint by air or by sea. But once you arrive you'll find majestic views and rich culture in every corner. With its snowcapped mountains, misty rainforests, massive glaciers and bounty of wildlife, Alaska's remote state capital is the perfect place to dive into nature. Framed by Mount Juneau and Mount Roberts, the city's picturesque downtown area offers centuries-old bars, boutique shops and historic landmarks. For a taste of the local culture, visit the historic district and the Alaska State Museum. And for outdoor thrills, you can take your pick of activities ranging from whale watching in Auke Bay Harbor to tundra trekking over Mendenhall Glacier, and even try your hand at gold panning in Last Chance Basin.

Skagway, AK

The tiny town of Skagway still looks like it did during the Klondike Gold Rush over 100 years ago— and today it remains an outpost for thrilling Alaskan adventure. An old-time street car ride along bustling Broadway Street reveals well-preserved buildings, including the state's oldest hotel. You can see engraved walrus tusks at the Corrington Museum, or get lost in riveting historical reenactments around town. If outdoor adventure is more your thing, there are plenty of ways to amp up the adrenaline, from sledding with Alaskan Huskies on Laughton Glacier to rafting Lynn Canal, the longest fjord in North America.

Tracy Arm Fjord, AK

Tracy Arm Fjord extends over 30 miles alongside the wilderness of Tongass National Forest. Sailing through this deep and narrow passage delivers some of the most breathtaking scenery you'll find in Alaska. See active glaciers carved into 7,000-foot-tall mountain peaks and plunging waterfalls burrowed into evergreen-clad cliffs. Glimpse native wildlife and watch deep blue icebergs float past the ship.
